About Us :

Our company started its activity as a retail store in 1983 as an auto spare parts business in Erzurum. In time, expanding its activity fields and creating a wholesale marketing network, Eastern Anatolia Karadeniz A.Ş. Became the supplier of retailer spare parts in its territories. By opening Istanbul branch in 2012 and expanding its wholesale marketing network in Istanbul near Istanbul, Baybars registered Antimon First brands as an addition to its product group while continuing its activities. Battery manufacturing under the name of these brands started. Baybars Battery Automotive Industry and Trade A.Ş. Inc. Established the company has entered Turkey among the other important battery companies. Our company Baybars brands are exporting to 10 countries.
